PIP Workshops

Come along to one of our PIP workshops where you will work with a group of other people. Our experienced advisers will take you through the claiming and assessment process and provide you with the tools to complete an effective PIP application form - you can bring someone along with you to help take notes or to support you.

Debt Options Workshops

We also offer a Debt Options workshop where you will be taken through the debt advice process. By the end of the session you will have a better idea what option is suitable for you and how in the long term you can become debt free through support from a qualified debt adviser who can help you with the skills and tools and templates you need.

Free, confidential advice. Whoever you are.

We help people overcome their problems and campaign on big issues when their voices need to be heard.

We value diversity, champion equality, and challenge discrimination and harassment.

We're here for everyone.

How can we help?

Our service is free, confidential and open to everyone in the community. Staff are trained to advise on virtually any issue, including:

- welfare benefits
- money and credit problems
- employment
- consumer rights
- housing
- neighbourhood disputes
- education and healthcare
- immigration and residency queries
- human rights
- family and personal issues.

We arm you with all the facts and possible outcomes of different options. That way you can make the decision that's right for you. If needed, we can also offer practical support such as help with filling forms, writing letters or negotiating with third parties.

Ways to access help:

- online via citizensadvice.org.uk
- over the telephone
- via email
- face-to-face

What happens when you contact us?

One of our staff members will ask you a few questions about your problem and circumstances and will identify the most appropriate way for us to help you in the timescale you have available. This could be giving you the information you need to solve your problem yourself, or it could be making an appointment to discuss your problem further – in person, by phone or by email. Sometimes we might direct you to a different organisation that is better placed to help.
